BUSINESS VOLUNTEER IMPACT PROGRAM

Get involved with your community – be a part of **Business Volunteer Impact Program 2019!**

How does BVIP work?

We compile volunteer projects with nonprofits in Alameda and Contra Costa counties to be completed during the event in September. This year, the event is one month long, and runs from September 9 to October 5.

The majority of projects are ½ day in length, and many projects are offered on multiple days. Your team of 6-50 (or more) employees can review the projects, and then sign up for the project via our portal. Project descriptions will provide location, times, parking, tasks, and details needed to select a suitable project for your team. Select one or pick multiple projects for your team throughout the week. There is no fee for your team to participate. Registration begins on July 22 and ends on August 14. **BVIP runs from September 9 – October 5, 2019.**
