

Every Californian can safely help their community during these difficult times.

Here are some ways you can make a difference:

Health Professionals - [Health Professionals: Sign Up for California Health Corps](#) and <https://californiavolunteers.ca.gov/get-involved/covid-19/> - COVID 19 website click on volunteer.

Deliver Meals

Vulnerable seniors are at greatest risk amid COVID-19. Let's help keep them safe and cared for. Contact your local Meals on Wheels organization, visit www.mealsonwheelsamerica.org.

Donate to a shelter or food bank

During this time organizations are running low on food items, help them stay well stocked for those in need. See below for a list of shelters and food banks in need.

Volunteer at a food bank

Food banks are in great need of volunteers to help pack and sort food. They are taking precautions to prioritize volunteer safety. Visit California Association of Food Banks at www.CAfoodbanks.org.

Support Nonprofits

Nonprofit organizations serving vulnerable communities – like seniors and low-income families – need your help. Find a fund to donate to nonprofits in your community on the Philanthropy California COVID-19 Response Page: <https://www.philanthropyca.org/covid-19-response>.

Wellness Checks

Check on older neighbors with a call, text, or talk through the door.

Hygiene Kits

Create hygiene kits and drop off at a shelter for people experiencing homelessness to help them stay healthy.

Donate Blood

Donated blood has decreased dramatically. Healthy, eligible donors are urged to come out and give to ensure there's lifesaving blood on the shelves for those who need it most. Visit the American Red Cross: <https://www.redcrossblood.org/give.html/find-drive>.
