Wall of Caring

The Contra Costa Crisis Center remembers and honors friends and family through our Wall of Caring. You can sponsor a tile as a memorial, a loving message, or commemoration of a birthday, wedding, anniversary, or other special event.

Clay tiles are cream-colored with a matte finish. Each tile measures 4 inches by 8 inches, with an inscription of 2 lines with 20 characters per line. Lines will be centered on the tile. Your tile will be permanently displayed in our lobby.
